## **Item 1.01 Entry into a Material Definitive Agreement**

### **Amendment to Strategic Transaction**

As previously disclosed, on December 18, 2019, Superior Energy Services, Inc., a Delaware corporation (“Superior Energy”), entered into an Agreement and Plan of Merger (the “Original Agreement”) with New NAM, Inc., a Delaware corporation (“NAM”), Forbes Energy Services Ltd., a Delaware corporation (“Forbes”), Spieth Newco, Inc., a Delaware corporation (“Holdco”), Spieth Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Holdco (“NAM Merger Sub”), and Fowler Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Holdco (“Fowler Merger Sub” and, together with NAM Merger Sub, the “Merger Subs”), pursuant to which, among other things, NAM Merger Sub will merge with and into NAM, with NAM surviving such merger as a direct, wholly owned subsidiary of Holdco, and Fowler Merger Sub will merge with and into Forbes, with Forbes surviving such merger as a direct, wholly owned subsidiary of Holdco (collectively, the “Mergers”), all on the terms and subject to the conditions of the Merger Agreement.

On February 20, 2020, the parties to the Original Agreement entered into Amendment No. 1 to Agreement and Plan of Merger (the “Amendment” and, the Original Agreement as amended by the Amendment, the “Merger Agreement”).

The Original Agreement provided that, as a condition to the closing of the Mergers, no less than \$250 million of Superior Energy’s outstanding 7.125% Senior Notes due 2021 be exchanged for \$250 million of new senior secured lien notes of Holdco (“Holdco Bonds”), which Holdco Bonds will be issued substantially on the terms set forth in the Original Agreement. The Amendment amends, among other things, certain covenants contained within the Original Agreement to permit for the exchange of the Holdco Bonds to be less than \$250 million on the terms and subject to the conditions set forth in certain indentures specified in the Amendment, and to permit NAM to consummate the Mergers with cash and cash equivalents in the aggregate amount of not less than \$13 million, instead of \$20 million. All other material terms of the Merger Agreement remain substantially the same.

The Amendment is included as Exhibit 2.1 hereto and is incorporated herein by reference. The foregoing summary has been included to provide investors and security holders with information regarding the terms of the Amendment and is qualified in its entirety by the terms and conditions of the Amendment. It is not intended to provide any other factual information about Superior Energy or its subsidiaries and affiliates.

### **Closing of Exchange Offer and Consent Solicitation**

On February 24, 2020 (the “Closing Date”), SESI, L.L.C. (“SESI” or the “Issuer”), a wholly owned subsidiary of Superior Energy, consummated certain transactions contemplated by the previously announced offer to exchange (the “Exchange Offer”) up to \$635 million aggregate principal amount of SESI’s outstanding 7.125% Senior Notes due 2021 (the “Original Notes”) for up to \$635 million of newly issued 7.125% Senior Notes due 2021 (the “New Notes”) and solicitation of consents to proposed amendments with respect to the Original Notes (the “Consent Solicitation”). At the expiration of the Exchange Offer, \$617,940,000 in aggregate principal amount, or 77.24%, of the outstanding Original Notes were validly tendered and not withdrawn.

### **Indenture and Senior Notes due 2021**

#### *General*

On the Closing Date, \$617,940,000 in aggregate principal amount of New Notes were issued to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside of the United States in compliance with Regulation S under the Securities Act. The New Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws.

The New Notes were issued pursuant to an Indenture, dated as of February 24, 2020 (the “New Notes Indenture”), among the Issuer, the guarantors specified therein and UMB Bank, N.A., as trustee (in such capacity, the “New Notes Trustee”). SESI’s obligations under the New Notes and the New Notes Indenture are fully and unconditionally guaranteed by each of the guarantors under the indenture dated as of December 6, 2011 governing the Original Notes (as amended and supplemented, the “Original Notes Indenture”).

### *Maturity and Interest Payments*

The New Notes will mature on December 15, 2021. Interest on the New Notes will accrue at 7.125% per annum and will be paid semi-annually, in arrears, on June 15 and December 15 of each year, beginning June 15, 2020.

### *Redemption*

SESI may redeem the New Notes at its option, in whole at any time or in part from time to time, upon no less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the New Notes redeemed, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

### *Automatic Exchange*

When the Mergers are consummated, the New Notes will automatically exchange into: (i) \$243.283 million aggregate principal amount of Holdco's 9.750% Senior Second Lien Secured Notes due 2025; (ii) \$243.283 million aggregate principal amount of SESI's 8.750% Senior Second Lien Secured Notes due 2026; and \$131.374 million in cash. If the Mergers are not consummated in accordance with the Merger Agreement, the New Notes will automatically exchange for an equal principal amount of Original Notes issued under the Original Notes Indenture as "Additional Notes."

### *Certain Covenants*

The New Notes Indenture contains covenants that limit Superior Energy's, the Issuer's and their subsidiaries' ability to, among other things: (i) consolidate, merge, sell or otherwise dispose of all or substantially all of their assets; (ii) pay for certain consents to the New Notes Indenture; and (iii) create liens to secure debt. These covenants are subject to a number of important limitations and exceptions. Additionally, upon the occurrence of specified change of control events, each holder of New Notes may require that SESI repurchase such holder's New Notes at 101% of the principal amount, plus accrued and unpaid interest, if any, to, but not including, the purchase date. The New Notes Indenture also provides for events of default, which, if any of them occurs, would permit or require the principal, premium, if any, interest and any other monetary obligations on all the then outstanding New Notes to be due and payable immediately.

The foregoing description of the New Notes Indenture does not purport to be complete and is qualified in its entirety by reference to the New Notes Indenture, which is filed as Exhibit 4.1 to this Current Report on Form 8-K and incorporated herein by reference.

### Forward-Looking Statements

All statements in this communication (and oral statements made regarding the subjects of this communication) other than historical facts are forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties and factors, many of which are outside the control of Superior Energy, Forbes and Holdco, which could cause actual results to differ materially from such statements. Forward-looking information includes, but is not limited to the consummation of the Mergers and other transactions contemplated by the Merger Agreement and the timing thereof.

While Superior Energy believes that the assumptions concerning future events are reasonable, it cautions that there are inherent difficulties in predicting certain important factors that could impact the future performance or results of its and Holdco's business. Among the factors that could cause results to differ materially from those indicated by such forward-looking statements are: the failure to realize the anticipated costs savings, synergies and other benefits of the transaction; the possible diversion of management time on transaction-related issues; the risk that the requisite approvals to complete the transaction are not obtained or other closing conditions are not satisfied; local, regional and national economic conditions and the impact they may have on Superior Energy, Forbes, Holdco and their customers; conditions in the oil and gas industry, especially oil and natural gas prices and capital expenditures by oil and gas companies; the debt obligations of Superior Energy and Holdco following the transaction and the potential effect of limiting Superior Energy's and/or Holdco's ability to fund future growth and operations and increasing their respective exposure to risk during adverse economic conditions; the financial condition of Superior Energy's and Holdco's customers; any non-performance by customers of their contractual obligations; changes in customer, employee or supplier relationships resulting from the transaction; changes in safety, health, environmental and other regulations; the results of any reviews, investigations or other proceedings by government authorities; and the potential additional costs relating to any reviews, investigations or other proceedings by government authorities or shareholder actions.

These forward-looking statements are also affected by the risk factors, forward-looking statements and challenges and uncertainties described in Superior Energy's Annual Report on Form 10-K for the year ended December 31, 2018, and those set forth from time to time in Superior Energy's filings with the SEC, which are available at [www.superiorenergy.com](http://www.superiorenergy.com). Except as required by law, Superior Energy expressly disclaims any intention or obligation to revise or update any forward-looking statements whether as a result of new information, future events or otherwise.

### No Offer or Solicitation

This communication is not intended to and does not constitute an offer to sell or the solicitation of an offer to subscribe for or buy or an invitation to purchase or subscribe for any securities or the solicitation of any vote in any jurisdiction pursuant to the proposed transaction or otherwise, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law. Subject to certain exceptions to be approved by the relevant regulators or certain facts to be ascertained, the public offer will not be made directly or indirectly, in or into any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction, or by use of the mails or by any means or instrumentality (including without limitation, facsimile transmission, telephone and the internet) of interstate or foreign commerce, or any facility of a national securities exchange, of any such jurisdiction.

### Important Additional Information Regarding the Transaction Will Be Filed With the SEC

In connection with the proposed transaction, Holdco has filed a registration statement on Form S-4, which included a preliminary joint proxy statement/prospectus of Holdco and Forbes, with the SEC. A definitive joint proxy statement/prospectus will be filed with the SEC once the registration statement becomes effective. While the registration statement and joint proxy statement/prospectus have not yet become effective and the information therein

is subject to change, they provide important information about the transaction. INVESTORS AND SECURITY HOLDERS OF SUPERIOR ENERGY AND FORBES ARE ADVISED TO CAREFULLY READ THE PRELIMINARY JOINT PROXY STATEMENT/PROSPECTUS, AND TO READ THE REGISTRATION STATEMENT AND DEFINITIVE JOINT PROXY STATEMENT/PROSPECTUS (INCLUDING ALL AMENDMENTS AND SUPPLEMENTS THERETO) WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE TRANSACTION, THE PARTIES TO THE TRANSACTION AND THE RISKS ASSOCIATED WITH THE TRANSACTION. A definitive joint proxy statement/prospectus will be sent to security holders of Forbes in connection with the Forbes shareholder meeting. Investors and security holders may obtain a free copy of the joint proxy statement/prospectus (when available) and other relevant documents filed by Superior Energy, Forbes and Holdco with the SEC from the SEC's website at [www.sec.gov](http://www.sec.gov). Security holders and other interested parties will also be able to obtain, without charge, a copy of the joint proxy statement/prospectus and other relevant documents (when available) from [www.superiorenergy.com](http://www.superiorenergy.com) under the tab "Investors" and then under the heading "SEC Filings."

### **Participants in the Solicitation**

Superior Energy, Forbes and their respective directors, executive officers and certain other members of management may be deemed to be participants in the solicitation of proxies from their respective security holders with respect to the transaction. Information about these persons is set forth in Superior Energy's proxy statement relating to its 2019 Annual Meeting of Stockholders, which was filed with the SEC on April 26, 2019, and Forbes' proxy statement relating to its 2019 Annual Meeting of Stockholders, which was filed with the SEC on April 25, 2019, and subsequent statements of changes in beneficial ownership on file with the SEC. Security holders and investors may obtain additional information regarding the interests of such persons, which may be different than those of the respective companies' security holders generally, by reading the joint proxy statement/prospectus and other relevant documents regarding the transaction, which will be filed with the SEC.

Each party agrees as follows for the benefit of the other parties and for the equal and ratable benefit of the Holders of (i) Issuer's 7.125% Senior Notes, Series C, due 2021, issued on the date hereof (the "Initial Notes") and (ii) if and when issued, an unlimited principal amount of additional 7.125% Senior Notes, Series C, due 2021 in a non-registered offering that may be offered from time to time subsequent to the Issue Date, subject to Section 2.01 (the "Additional Notes" and, collectively with the Initial Notes, the "Notes") as provided in Section 2.01(a):

ARTICLE 1  
DEFINITIONS AND INCORPORATION  
BY REFERENCE

Section 1.01 *Definitions.*

"Additional Notes" has the meaning ascribed to it in the second introductory paragraph of this Indenture.

"Affiliate" of any specified Person means (1) any other Person, directly or indirectly, controlling or controlled by, or (2) under direct or indirect common control with, such specified Person. For the purposes of this definition, "control" when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

"Agent" means any Registrar, co-registrar, Paying Agent or additional paying agent.

(a) General. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited. The Initial Notes issued on the date hereof shall be in an aggregate principal amount of \$[617,888,000]. In addition, Issuer may issue, from time to time in accordance with the provisions of this Indenture, Additional Notes (as provided herein). Furthermore, Notes may be authenticated and delivered upon registration of transfer, exchange or in lieu of, other Notes pursuant to Sections 2.02, 2.06, 2.09, 2.12, 3.06 or 9.05 or in connection with a Change of Control Offer pursuant to Section 4.14.

The Initial Notes and any Additional Notes shall be known and designated as “7.125% Senior Notes, Series C, due 2021” of Issuer.

With respect to any Additional Notes, Issuer shall set forth in (a) a resolution of the Board of Directors of Superior Energy and (b) (i) an Officers’ Certificate or (ii) one or more indentures supplemental hereto, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (2) the issue price and the issue date of such Additional Notes, including the date from which interest shall accrue; and
- (3) that such Additional Notes shall be issued in the form of Exhibit A hereto.

In authenticating and delivering Additional Notes, the Trustee shall be entitled to receive and shall be fully protected in conclusively relying upon, in addition to the Opinion of Counsel and Officers’ Certificate required by Section 12.04, an Opinion of Counsel as to the due authorization, execution, delivery, validity and enforceability of such Additional Notes.

The Initial Notes and Additional Notes shall be considered collectively as a single class for all purposes of this Indenture. Holders of the Initial Notes and Additional Notes shall vote and consent together on all matters to which such Holders are entitled to vote or consent as one

class, and none of the Holders of the Initial Notes and Additional Notes shall have the right to vote or consent as a separate class on any matter to which such Holders are entitled to vote or consent.

If any of the terms of any Additional Notes are established by action taken pursuant to a resolution of the Board of Directors of Superior Energy, a copy of an appropriate record of such action shall be certified by an Officer of Superior Energy or Issuer and delivered to the Trustee, at or prior to the delivery of the Officers' Certificate or the indenture supplemental hereto setting forth the terms of the Additional Notes.

(b) The Initial Notes are being offered and sold in an exchange offer (the "*Exchange Offer*") and concurrent consent solicitation by Issuer pursuant to the Offering Memorandum (together with the Exchange Offer, the "*Exchange Offer and Consent Solicitation*"). The Rule 144A Global Note may be represented by more than one certificate, if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Rule 144A Global Note may from time to time be increased or decreased by adjustments made on the records of the Custodian, as custodian for DTC or its nominee, as hereinafter provided.

Initial Notes and any Additional Notes offered and sold outside the United States of America (the "*Regulation S Notes*") in reliance on Regulation S shall initially be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.01(d) (the "*Regulation S Global Note*"). The Regulation S Note will be deposited upon issuance with, or on behalf of, the Custodian, as custodian for the DTC in the manner described in this Article 2 for credit to the respective accounts of the purchasers (or to such other accounts as they may direct), including, but not limited to, accounts at Euroclear Bank S.A./N.V. ("*Euroclear*") or Clearstream Banking, société anonyme ("*Clearstream*"). Prior to the 40th day after the later of the commencement of the offering of the Initial Notes and the Issue Date (such period through and including such 40th day, the "*Restricted Period*"), interests in the Regulation S Global Note may only be transferred to Non-U.S. Persons pursuant to Regulation S, to QIBs under Rule 144A or Institutional Accredited Investor in accordance with the transfer and certification requirements described herein.

If such interests are held through Euroclear or Clearstream, Euroclear and Clearstream shall hold such interests in the applicable Regulation S Global Note on behalf of their participants through customers' securities accounts in their respective names on the books of their respective depositaries. Such depositaries, in turn, shall hold such interests in the applicable Regulation S Global Note in customers' securities accounts in the depositaries' names on the books of DTC.

The Regulation S Global Note may be represented by more than one certificate, if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. Initial Notes and Additional Notes resold to Institutional Accredited Investors (the "*Institutional Accredited Investor Notes*") in the United States of America shall be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.01(d) (the "*Institutional Accredited Investor Global Note*") deposited with the Custodian, as custodian for DTC, duly executed by Issuer and authenticated by the Trustee as hereinafter provided. The Institutional Accredited Investor Global Note may be represented by more than one certificate, if so required by DTC's rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Institutional Accredited Investor Global Note may from time to time be increased or decreased by adjustments made on the records of the Custodian, as custodian for DTC or its nominee, as hereinafter provided.

The Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note are sometimes collectively herein referred to as the "*Global Notes*."

The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by Issuer maintained for such purpose in the United States or at such other office or agency of Issuer as may be maintained for such purpose pursuant to Section 2.03 of this Indenture; *provided, however*, that, at the option of Issuer, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least \$1,000,000 aggregate principal amount of Notes represented by Definitive Notes shall be made by wire transfer to a U.S. dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion).

The Notes may have notations, endorsements or legends required by law, stock exchange rule or usage, in addition to those set forth on Exhibit A and Exhibit B and in Section 2.01(d). Issuer shall approve any notation, endorsement or legend on the Notes. Each Note shall be dated the date of its authentication. The terms of the Notes set forth in Exhibit A and Exhibit B are part of the terms of this Indenture and, to the extent applicable, Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to be bound by such terms.

(c) Denominations. The Notes shall be issuable only in fully registered form, without coupons, and only in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

(d) Restrictive Legends. If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

Such Authentication Order shall specify whether the Notes shall be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated and whether the Notes are to be Initial Notes or Additional Notes.

In case Issuer or any Guarantor, pursuant to Article 5 or Section 10.04, as applicable, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which Issuer or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Section 5.01 or Section 10.04, as applicable, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Authentication Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.02 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

Section 2.03 *Registrar and Paying Agent.*

Issuer will maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and an office or agency where Notes may be presented for

payment (“*Paying Agent*”). The Registrar will keep a register of the Notes (“*Notes Register*”) and of their transfer and exchange. Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. Issuer may change any Paying Agent or Registrar without notice to any Holder. Issuer will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. Issuer or any Restricted Subsidiary may act as Paying Agent or Registrar.

Issuer initially appoints DTC to act as depository with respect to the Global Notes.

Issuer initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

#### Section 2.04 *Paying Agent to Hold Money in Trust.*

Issuer will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by Issuer in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than Issuer or a Restricted Subsidiary) will have no further liability for the money. If Issuer or a Restricted Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to Issuer, the Trustee will serve as Paying Agent for the Notes.

#### Section 2.05 *Holder Lists.*

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, Issuer will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

#### Section 2.06 *Transfer and Exchange.*

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.06. The Registrar shall promptly register any transfer or exchange that meets the requirements of this Section 2.06 by noting the same in the register maintained by the Registrar for the purpose, and no transfer or exchange shall be effective until it is registered in such register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.06 and Section 2.01(e) and 2.01(f), as applicable, and, in the case of a Global Note (or a beneficial

interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Registrar shall refuse to register any requested transfer or exchange that does not comply with this paragraph. Any action with respect to transfers and exchanges of the Notes pursuant to this Section 2.06 may be taken by the Registrar whenever the Trustee may do so, and each reference in this Section 2.06 to the Trustee shall include the Registrar.

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date which is one year after the later of the date of its original issue and the last date on which Issuer or any Affiliate of Issuer was the owner of such Notes (or any predecessor thereto) (the “*Resale Restriction Termination Date*”):

(1) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; *provided* that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC.

(2) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to an Institutional Accredited Investor shall be made upon receipt by the Registrar of a certificate substantially in the form set forth in Section 2.07 from the proposed transferee and, if requested by Issuer, the delivery of an Opinion of Counsel, certification and/or other information satisfactory to it; and

(3) a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar of a certificate substantially in the form set forth in Section 2.08 from the proposed transferee and, if requested by Issuer, the delivery of an Opinion of Counsel, certification and/or other information satisfactory to it.

(c) Transfers of Regulations S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

(1) a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment

on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding Issuer as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;

(2) a transfer of a Regulation S Note or a beneficial interest therein to an Institutional Accredited Investor shall be made upon receipt by the Registrar of a certificate substantially in the form set forth in Section 2.07 from the proposed transferee and, if requested by Issuer or the Trustee, the delivery of an opinion of counsel, certification and/or other information satisfactory to each of them; and

(3) a transfer of a Regulation S Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar of a certificate substantially in the form set forth in Section 2.08 hereof from the proposed transferee and, if requested by Issuer, receipt by the Registrar of an Opinion of Counsel, certification and/or other information satisfactory to Issuer.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Section 2.07, Section 2.08 or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act.

(e) The Combination Exchange and the Termination Exchange.

(1) If the Combination is expected to be consummated on or prior to the Outside Date, then upon no less than two Business Days’ written notice by the Issuer to the Trustee, on the Combination Exchange Date, the Notes shall be automatically exchanged and Holders shall receive in exchange for their Notes (the “Combination Exchange”) their pro rata share of: (i) \$243.283 million aggregate principal amount of Newco Secured Notes issued under an indenture, to be dated as of the Combination Exchange Date, on the terms described under the caption “Description of the Newco Secured Notes” in the Offering Memorandum (the “*Newco Secured Notes Indenture*”); (ii) \$243.283 million aggregate principal amount of Superior Secured Notes issued under an indenture, to be dated as of the Combination Exchange Date, on the terms described under the caption “Description of the Superior Secured Notes” in the Offering Memorandum (the “*Superior Secured Notes Indenture*”) and (iii) \$131.374 million in

cash (the “*Cash Component*”), subject to adjustment and rounding. On the Combination Exchange Date, accrued interest in respect of the Notes to, but excluding, the Combination Exchange Date shall be paid in cash.

(2) If the Combination does not occur on or prior to the Termination Date, then upon no less than two Business Days’ written notice by the Issuer to the Trustee and the Original Notes Trustee, on the Termination Exchange Date, the Notes shall be automatically exchanged for an equal principal amount of Original Notes issued as “Additional Notes” pursuant to a supplemental indenture to the Original Notes Indenture, which notes shall accrue interest from the Termination Exchange Date at a rate of 7.125% per year the (“*Termination Exchange*”). On the Termination Exchange Date, accrued interest to, but excluding, the Termination Exchange Date shall be paid in cash in respect of the Notes.

(3) No consent or any other action shall be required by or on behalf of the Holders of the Notes in respect of the completion of the Combination Exchange or the Termination Exchange, as applicable. On the Combination Exchange Date or the Termination Exchange Date, as applicable, upon acceptance of the Notes in the Combination Exchange or the Termination Exchange, as applicable, the Notes shall be automatically cancelled and the Note Guarantees shall be automatically released and terminated, and this Indenture shall be deemed satisfied and discharged and shall cease to be of further effect as to all Notes issued hereunder.

(4) Each Holder is deemed to have (i) agreed to be bound by, or agreed that the Trustee shall be bound by, as applicable, (a) the Combination Exchange, the Newco Secured Notes Indenture and the Superior Secured Notes Indenture or (b) the Termination Exchange and the Original Notes Indenture, as applicable, and (ii) irrevocably authorized and directed the Trustee, or any other person required to complete the Combination Exchange and the Termination Exchange, as applicable, to take all actions required to consummate the Combination Exchange and the Termination Exchange, as applicable, without the need for further direction by, or on behalf of, such Holder under this Indenture.

(5) The Issuer shall make such arrangements with DTC as are necessary or advisable to effect the Combination Exchange or the Termination Exchange, as applicable, including, but not limited to, providing for the exchange of beneficial interests in the Global Notes for beneficial interests in (i) the Newco Secured Notes and Superior Secured Notes, in the case of the Combination Exchange, and (ii) Original Notes issued as “Additional Notes” under the Original Notes Indenture in the case of the Termination Exchange, as applicable.

(f) Issuer Inspection. The Registrar shall retain copies of all letters and notices received pursuant to Section 2.01 or this Section 2.06. Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes.

(1) To permit registrations of transfers and exchanges, Issuer shall, subject to the other terms and conditions of this Article 2, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Registrar's request.

(2) No service charge shall be made to a Holder for any registration of transfer or exchange, but Issuer may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.02, 2.06, 2.07, 2.09, 3.06, 4.14, or 9.05 and, for the avoidance of doubt, other than any transfer taxes payable in connection with the Combination Exchange).

(3) Issuer (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) 15 days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) 15 days before an interest payment date and ending on such interest payment date or (B) called for redemption or tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or other tender offer, except the unredeemed or untendered portion of any Note being redeemed or tendered in part.

(4) Prior to the due presentation for registration of transfer of any Note, Issuer, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(5) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.01(f) shall, except as otherwise provided by Section 2.06(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.01(d).

(6) All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (1) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders

(which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may conclusively rely and shall be fully protected in conclusively relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

(1) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. The Trustee shall not have any responsibility for any actions taken or not taken by DTC.

Upon transfer, the Notes would be registered in the name of the new beneficial owner as follows:

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Taxpayer ID Number: \_\_\_\_\_

The undersigned represents and warrants to you that:

1. We are an institutional “accredited investor” (as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act of 1933, as amended (the “*Securities Act*”)) purchasing for our own account or for the account of such an institutional “accredited investor” at least \$250,000 principal amount of the Notes, and we are acquiring the Notes not with a view to, or for offer or sale in connection with, any distribution in violation of the Securities Act. We have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risk of our investment in the Notes and we invest in or purchase securities similar to the Notes in the normal course of our business. We and any accounts for which we are acting are each able to bear the economic risk of our or its investment.

2. We understand that the Notes have not been registered under the Securities Act and, unless so registered, may not be sold except as permitted in the following sentence. We agree on our own behalf and on behalf of any investor account for which we are purchasing Notes to offer, sell or otherwise transfer such Notes prior to the date that is one year after the later of the date of original issue and the last date on which Issuer or any affiliate of Issuer was the owner of such Notes (or any predecessor thereto) (the “*Resale Restriction Termination Date*”) only (a) to Issuer or any Subsidiary thereof, (b) pursuant to an effective registration statement under the Securities Act, (c) in a transaction complying with the requirements of Rule 144A under the Securities Act, to a person we reasonably believe is a “qualified institutional buyer” under Rule 144A of the Securities Act (a “*QIB*”) that is purchasing for its own account or for the account of a QIB and to whom notice is given that the transfer is being made in reliance on Rule 144A, (d) pursuant to offers and sales to Non-U.S. Persons that occur outside the United States within the meaning of Regulation S under the Securities Act, (e) to an institutional “accredited investor” within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act that is purchasing for its own account or for the account of such an institutional “accredited investor,” in each case in a minimum principal amount of Notes of \$250,000 for investment purposes and not with a view to or for offer or sale in connection with any distribution in violation of the Securities Act or (f) pursuant to any other available exemption from the registration requirements of the Securities Act, subject in each of the foregoing cases to any requirement of law that the disposition of our property or the property of such investor account or accounts be at all times within our or their control and in compliance with any applicable state securities laws. The foregoing restrictions on resale shall not apply subsequent to the Resale Restriction Termination Date. If any resale or other transfer of the Notes is proposed to be made pursuant to clause (e) above prior to the Resale Restriction Termination Date, the transferor shall deliver a letter from the transferee substantially in the form of this letter to Issuer and the Registrar, which shall provide, among other things, that the transferee is an institutional “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act) and that it is acquiring such Notes for investment purposes and not for distribution in violation of the Securities Act. Each purchaser acknowledges that Issuer and the Registrar reserve the right prior to any offer, sale or other transfer prior to the Resale Termination Date of the Notes pursuant to clauses (d), (e) or (f) above to require the delivery of an opinion of counsel, certifications and/or other information satisfactory to Issuer and the Trustee.

3. We [are][are not] an Affiliate of Issuer.

You and Issuer are entitled to rely upon this letter and are irrevocably authorized to produce this letter or a copy hereof to any interested party in any administrative or legal proceedings or official inquiry with respect to the matters covered hereby.

Section 2.09 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or Issuer and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, Issuer will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and Issuer to protect Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. Issuer may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.10 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.10 as not outstanding. Except as set forth in this Section 2.10, a Note does not cease to be outstanding because Issuer or an Affiliate of Issuer holds the Note.

If a Note is replaced pursuant to Section 2.09 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than Issuer or a Restricted Subsidiary) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

#### Section 2.11 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by Issuer or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with Issuer or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned will be so disregarded.

#### Section 2.12 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, Issuer may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, Issuer will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

#### Section 2.13 *Cancellation.*

Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes (subject to the record retention requirement of the Exchange Act). Issuer may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

#### Section 2.14 *Defaulted Interest.*

If Issuer defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. Issuer will notify the Trustee in writing of the amount of

defaulted interest proposed to be paid on each Note and the date of the proposed payment. Issuer will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, Issuer (or, upon the written request of Issuer, the Trustee in the name and at the expense of Issuer) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.15 *CUSIP, Common Code and ISIN Numbers.*

Issuer in issuing the Notes may use “CUSIP,” “Common Code” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP,” “Common Code” and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any defect in or omission of such CUSIP, Common Code and ISIN numbers. Issuer shall promptly notify the Trustee in writing of any change in the CUSIP, Common Code and ISIN numbers.

ARTICLE 3  
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers’ Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not listed, then on a pro rata basis (to the extent practicable), by lot or by such similar method in accordance with the procedures of DTC. No Note of \$2,000 in original principal amount or less will be redeemed in part.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

Notes and portions of Notes selected will be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

At least 30 days but not more than 60 days before a redemption date, Issuer will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address or otherwise delivered in accordance with the procedures of DTC, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At Issuer's request, the Trustee will give the notice of redemption in Issuer's name and at its expense; *provided, however*, that Issuer has delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Notices of redemption may not be conditional.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price.*

On or prior to 11:00 a.m. New York City Time on the Business Day prior to the redemption or purchase date, Issuer will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to Issuer any money deposited with the Trustee or the Paying Agent by Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on, all Notes to be redeemed or purchased.

If Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, Issuer will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) Issuer may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, on the Notes redeemed to, but excluding the applicable redemption date.

Unless Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(b) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof. The redemption price shall be determined by the Issuer.

Section 3.08 *Mandatory Redemption.*

Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes. However, under the circumstances in Section 4.14 hereof, Issuer may be required to offer to purchase the Notes. Issuer may at any time and from time to time purchase Notes in the open market or otherwise so long as such acquisition does not otherwise violate the terms of this Indenture.

ARTICLE 4  
COVENANTS

Section 4.01 *Payment of Notes.*

Issuer will pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. Principal, premium, if any, and interest will be considered paid on the date due if the Paying Agent, if other than Issuer or a Restricted Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and installments of interest (without regard to any applicable grace period), if any, at the applicable interest rate on the Notes.

Section 4.02 *Maintenance of Office or Agency.*

Issuer will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon Issuer in respect of the Notes and this Indenture may be served. Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time Issuer fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of Issuer in accordance with Section 2.03 hereof.

Section 4.03 *SEC Reports.*

(a) Whether or not required by the rules and regulations of the SEC, so long as any Notes are outstanding, Superior Energy will furnish (without exhibits) to the Trustee and Holders, within the time periods specified in the SEC's rules and regulations:

- (1) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if Superior Energy were required to file reports; and
- (2) all current reports that would be required to be filed with the SEC on Form 8-K if Superior Energy were required to file such reports.

All such reports will be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K will include a report on Superior Energy's consolidated financial statements by Superior Energy's certified independent accountants. In addition, Superior Energy will file a copy of each of the reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC will not accept such a filing) and will post the reports on its website within those time periods.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

If, at any time, Superior Energy is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, Superior Energy will nevertheless continue filing the reports specified in the preceding paragraphs with the SEC within the time periods specified above unless the SEC will not accept such a filing. Superior Energy will not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC will not accept Superior Energy's filings for any reason, Superior Energy will post the reports referred to in the preceding paragraphs on its website within the time periods that would apply if Superior Energy were required to file those reports with the SEC.

(b) For so long as any Notes remain outstanding, if at any time they are not required to file with the SEC the reports required by paragraphs (a) and (b) of this Section 4.03, Issuer and the Guarantors will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 *Compliance Certificate.*

(a) Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year (commencing with the fiscal year ending December 31, 2020), an Officers' Certificate stating that a review of the activities of Issuer and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether Issuer has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge Issuer has kept, observed, performed and fulfilled each and every covenant contained in this

Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action Issuer is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action Issuer is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.03 above shall be accompanied by a written statement of Superior Energy's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that Superior Energy has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, Issuer will deliver to the Trustee, forthwith, and in any event not later than 10 days after any Officer becomes aware of any event that this giving of notice or the lapse of time or both would become a Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action Issuer is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

Issuer will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders.

Section 4.06 *Stay, Extension and Usury Laws.*

Issuer and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and Issuer and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.08 *Reserved.*

Section 4.09 *Reserved.*

Section 4.10 *Reserved.*

Section 4.11 *Reserved.*

Section 4.12 *Reserved.*

Section 4.13 *Corporate Existence.*

(a) Subject to Article 5 hereof, Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of Issuer or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of Issuer and its Subsidiaries; provided, however, that Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of Issuer and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

Section 4.14 *Offer to Repurchase Upon Change of Control.*

(a) Upon the occurrence of any of the following events (each a “*Change of Control*”), each Holder shall have the right to require that Issuer repurchase such Holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase plus accrued and unpaid interest, if any, to but excluding the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date):

(1) any “person” (as such term is used in Section 13(d) of the Exchange Act) is or becomes the beneficial owner, directly or indirectly, of more than 50% of the total voting power of the Voting Stock of Superior Energy or Issuer;

(2) individuals who on the Issue Date constituted the Board of Directors of Superior Energy together with any new directors whose election by such Board of Directors or whose nomination for election by the stockholders of Superior Energy, as the case may be, was approved by a vote of majority of the directors of Superior Energy then still in office who were either directors on the Issue Date or whose election or nomination for election was previously so approved) cease for any reason to constitute a majority of the Board of Directors then in office;

(3) the adoption of a plan relating to the liquidation or dissolution of either Issuer or Superior Energy;

(4) the merger or consolidation of Issuer or Superior Energy, as the case may be, with or into another Person or the merger of another Person with or into Issuer or Superior Energy, as the case may be, other than a transaction following which, in the case of a merger or consolidation transaction, securities that represented 100% of the Voting Stock of Issuer or Superior Energy, as the case may be, immediately prior to such transaction (or other securities into which such securities are converted as part of such merger or consolidation transaction) constitute at least a majority of the voting power of the Voting Stock of the surviving Person in such merger or consolidation transaction; or

(5) the direct or indirect sale, assignment, conveyance, transfer, lease or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all the assets of Issuer or Superior Energy and their respective Subsidiaries taken as a whole, as the case may be (in each case, determined on a consolidated basis) to another Person.

(b) Within 30 days following any Change of Control, Issuer will mail a notice to each Holder or otherwise give notice in accordance with the applicable procedures of DTC, with a copy to the Trustee (the “*Change of Control Offer*”) stating:

(1) that a Change of Control has occurred and that such Holder has the right to require us to purchase such Holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to but excluding the date of purchase (the “*Change of Control Payment*”) (subject to the right of Holders of record on the relevant record date to receive interest on the relevant interest payment date);

(2) the circumstances and relevant facts regarding such Change of Control (including information with respect to pro forma historical income, cash flow and capitalization after giving effect to such Change of Control);

(3) the purchase date (which shall be no earlier than 10 days nor later than 60 days from the date such notice is mailed) (the “*Change of Control Payment Date*”);

(4) that any Note not tendered will continue to accrue interest;

(5) that, unless Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(6) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(7) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day

preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(8) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$2,000 in principal amount or an integral multiple of \$1,000 in excess thereof.

Issuer will comply with the requirements of Section 14(e) under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.14 by virtue of such compliance.

(c) On the Change of Control Payment Date, Issuer will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes (of \$2,000 or larger integral multiples of \$1,000 in excess thereof) properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee for cancellation the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by Issuer in accordance with this Section 4.14.

The Paying Agent will promptly mail (but in any case not later than five days after the purchase date) to each Holder who so tendered Notes the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any *provided* that each such new Note will be in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest, if any, to the Change of Control Payment Date will be paid on the relevant interest payment date to the Person in whose name a Note is registered at the close of business on such record date.

(d) Issuer will not be required to make a Change of Control Offer following a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by Issuer and purchases all Notes validly tendered and not withdrawn

under such Change of Control Offer or (2) notice of redemption has been given pursuant to Section 3.07 hereof unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) The provisions described in this Section 4.14 may be waived or modified with the written consent of the Holders of a majority in principal amount of the Notes.

Section 4.15 *Reserved.*

Section 4.16 *Reserved.*

Section 4.17 *Reserved.*

Section 4.18 *Reserved.*

Section 4.19 *Reserved.*

Section 4.20 *Limitation on Secured Indebtedness.*

(a) If Superior Energy, Issuer or any Subsidiary Incurs any Secured Indebtedness (other than Series C Permitted Liens), Superior Energy, Issuer or such Subsidiary, as the case may be, will secure the notes equally and ratably with (or, at its option, prior to) the Indebtedness so secured until such time as such Indebtedness is no longer secured by a Lien; or

(b) if any Non-Guarantor Subsidiary Incurs or Guarantees any Indebtedness of any kind (with the exception of the Incurrence of Indebtedness (other than a Guarantee of Indebtedness of Superior Energy, Issuer or a Domestic Subsidiary) by a Foreign Subsidiary), such Subsidiary will guarantee the Notes on a full and unconditional senior basis,

unless, in the case of clause (a), the aggregate amount of all Secured Indebtedness and the Attributable Debt of all Sale/Leaseback Transactions and, in the case of clause (b), Indebtedness so Incurred or Guaranteed by a Non-Guarantor Subsidiary would not exceed, in the aggregate, 12.5% of Consolidated Tangible Assets (such calculation to exclude from the numerator any Indebtedness secured by Series C Permitted Liens).

Section 4.21 *Permitted Transactions.*

Notwithstanding anything under the covenants described under this Article 4 to the contrary, this Indenture shall not restrict or in any manner limit the ability of the Issuer or the Guarantors to effect (i) the Transactions or (ii) the Termination Exchange, and in each of (i) and (ii) above, any transactions or actions in connection therewith.

ARTICLE 5  
SUCCESSORS

Section 5.01 *Merger and Consolidation.*

(a) Issuer shall not, and Superior Energy shall not permit Issuer to, consolidate with or merge with or into, or convey or transfer, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless Issuer shall be the surviving Person, or the resulting, surviving or transferee Person (the “*Successor Issuer*”) shall be a corporation or limited liability company organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Issuer (if not Issuer) shall expressly assume, by an indenture supplemental thereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of Issuer under the Notes and this Indenture.

(b) Superior Energy will not consolidate with or merge with or into, or convey or transfer, in one transaction or a series of transactions, directly or indirectly, all or substantially all its assets to, any Person, unless Superior Energy shall be the surviving Person, or the resulting, surviving or transferee Person (the “*Successor Company*”) shall be a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and the Successor Company (if not Superior Energy) shall expressly assume, by an indenture supplemental thereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, all the obligations of Superior Energy under its Note Guarantee and this Indenture.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or transfer or conveyance or other disposition of all or substantially all of the properties or assets of Issuer in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the Successor Issuer shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, transfer, conveyance or other disposition, the provisions of this Indenture referring to the “Issuer” shall refer instead to the Successor Issuer and not to Issuer), and may exercise every right and power of Issuer under this Indenture with the same effect as if such Successor Issuer had been named as Issuer herein; *provided, however*, that the Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of Issuer’s assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6  
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

- (1) default for 30 days in the payment when due of interest on the Notes;

- (2) default in the payment when due (at its Stated Maturity, upon redemption, upon required purchase, upon declaration or otherwise) of the principal of, or premium, if any, on, the Notes;
- (3) failure by Issuer or Superior Energy to comply with Section 5.01 hereof;
- (4) failure by Issuer or Superior Energy to comply for 30 days after notice with any of its obligations pursuant to Section 4.14 hereof (other than a failure to purchase the Notes);
- (5) failure by Superior Energy, Issuer or a Restricted Subsidiary to comply for 60 days after notice to Superior Energy, Issuer or such Restricted Subsidiary by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in this Indenture;
- (6) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Superior Energy, Issuer or any of their Restricted Subsidiaries (or the payment of which is guaranteed by Superior Energy, Issuer or any of their Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the date of this Indenture, if that default:
- (A) is caused by a failure to pay principal of, or interest or premium, if any, on, such Indebtedness which aggregates \$30.0 million or more prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*"); or
- (B) results in the acceleration of such Indebtedness prior to its express maturity;
- and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$30.0 million or more, *provided* that in connection with any series of the Convertible Notes, (a) any conversion of such Indebtedness by a holder thereof into shares of Common Stock, cash or a combination of cash and shares of Common Stock, (b) the rights of holders of such Indebtedness to convert into shares of Common Stock, cash or a combination of cash and shares of Common Stock and (c) the rights of holders of such Indebtedness to require any repurchase by Superior Energy or Issuer of such Indebtedness in cash upon a fundamental change shall not, in itself, constitute an Event of Default under this clause (6);
- (7) [reserved]; or
- (8) Superior Energy, Issuer or any of their Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Law:

- (A) commences a voluntary case;
  - (B) consents to the entry of an order for relief against it in an involuntary case;
  - (C) consents to the appointment of a custodian of it or for all or substantially all of its property;
  - (D) makes a general assignment for the benefit of its creditors; or
  - (E) generally is not paying its debts as they become due;
- (9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
- (A) is for relief against Superior Energy, Issuer or any of their Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case;
  - (B) appoints a custodian of Superior Energy, Issuer or any of their Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of Superior Energy, Issuer or any of their Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary; or
  - (C) orders the liquidation of Superior Energy, Issuer or any of their Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary;
- and the order or decree remains unstayed and in effect for 60 consecutive days; or
- (10) except as permitted by this Indenture or the Note Guarantee, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect (other than in accordance with the terms of the Note Guarantee), or any Guarantor, or any Person acting on behalf of any Guarantor, denies or disaffirms its obligations under its Note Guarantee.

However, a default under clauses (4), (5) or (10) above will not constitute an Event of Default until the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes notify Issuer, Superior Energy or the relevant Restricted Subsidiary, as the case may be, of the default and Issuer, Superior Energy or the relevant Restricted Subsidiary, as the case may be, does not cure such default within the time specified after receipt of such notice.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (8) or (9) of Section 6.01 hereof, with respect to Superior Energy, Issuer, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium, if any, and interest on, the Notes (including in connection with an offer to purchase); *provided, however,* that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy

available to the Trustee or exercising any trust or power conferred on it, subject to 7.02(e). However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines is unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability.

*Section 6.06 Limitation on Suits.*

A Holder may pursue a remedy with respect to this Indenture or the Notes only if:

- (1) such Holder gives to the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;
- (3) such Holder or Holders offer and, if requested, provide to the Trustee security or indemnity reasonably satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

*Section 6.07 Rights of Holders to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

*Section 6.08 Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against Issuer for the whole amount of principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

*First:* to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

*Second:* to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

*Third:* to Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims

or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7  
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of the mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with Issuer. Money held in trust by the Trustee shall be un-invested and need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(d) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from Issuer will be sufficient if signed by an Officer of Issuer.

(e) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity reasonably satisfactory to the Trustee or security against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or Event of Default is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee from Issuer or the Holders of at least 25% in aggregate principal amount of the outstanding Notes, and such notice references the specific Default or Event of Default, the Notes and this Indenture.

(g) The Trustee shall not be required to give any bond or surety in respect of the performance of its power and duties hereunder.

(h) The Trustee shall have no duty to inquire as to the performance of Issuer's covenants herein.

(i) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

(j) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(l) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

(m) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(n) The Trustee shall not be liable for any action taken or omitted by it in good faith at the direction of the holders of not less than a majority in principal amount of the Notes as to the time, method and place of conducting any proceedings for any remedy available to the Trustee or the exercising of any power conferred by this Indenture.

#### Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with Issuer or any Affiliate of Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

#### Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for Issuer's use of the proceeds from the Notes or any money paid to Issuer or upon Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money

received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee in accordance with Section 7.02(f), the Trustee will mail to Holders a notice of the Default or Event of Default within 90 days after the Trustee obtains knowledge. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.06 *Reserved.*

Section 7.07 *Compensation and Indemnity.*

(a) Issuer will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. Issuer will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) Issuer and the Guarantors will jointly and severally indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against Issuer and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by Issuer, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify Issuer will not relieve Issuer or any of the Guarantors of their obligations hereunder. Issuer or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and Issuer will pay the reasonable fees and expenses of such counsel. Neither Issuer nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of Issuer and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the payment in full of the Notes.

(d) To secure Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01 (8) or (9) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying Issuer. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and Issuer in writing. Issuer may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, Issuer will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by Issuer.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, Issuer's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5).

ARTICLE 8  
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) through (4) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

- (2) Issuer's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and Issuer's and the Guarantors' obligations in connection therewith; and
- (4) this Article 8.

Subject to compliance with this Article 8, Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

#### Section 8.03 *Covenant Defeasance.*

Upon Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.03 and 4.20 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Note Guarantees, Issuer and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(4) through 6.01(6) hereof will not constitute Events of Default.

#### Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

- (1) Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay the principal of, premium, if any, and interest on, the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, Issuer must deliver to the Trustee an Opinion of Counsel confirming that:

(A) Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, Issuer must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Issuer or any Guarantor is a party or by which Issuer or any Guarantor is bound;

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which Issuer or any of its Subsidiaries is a party or by which Issuer or any of its Subsidiaries is bound;

(6) Issuer must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by Issuer with the intent of preferring the Holders over the other creditors of Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of Issuer or others; and

(7) Issuer must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable U.S. Government Obligations deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to Issuer from time to time upon the request of Issuer any money or non-callable U.S. Government Obligations held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

#### Section 8.06 *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by Issuer, in trust for the payment of the principal of, premium, if any, or interest on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to Issuer on its request or (if then held by Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of Issuer cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to Issuer.

#### Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if Issuer makes any payment of principal of, premium, if any, or interest on, any Note following the reinstatement of its obligations, Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9  
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders.*

Notwithstanding Section 9.02 of this Indenture, Issuer, the Guarantors and the Trustee may amend or supplement this Indenture or the Notes or the Note Guarantees without the consent of any Holder:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of Issuer's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a Successor Issuer or Successor Guarantor pursuant to Article 5 or Article 10 hereof;
- (4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder;
- (5) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;
- (6) to conform the text of this Indenture or the Notes to any provision of the "Description of the New Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of the New Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Note Guarantees or the Notes;
- (7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date hereof;
- (8) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes; or
- (9) make such provisions as necessary (as determined in good faith by the Issuer) for the implementation of the Combination Exchange or the Termination Exchange.

Upon the request of Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 and Section 9.06 hereof, the Trustee will join with Issuer and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate

agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders.*

Except as provided below in this Section 9.02, Issuer and the Trustee may amend or supplement this Indenture and the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.10 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with Issuer and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, Issuer will mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of Issuer to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by Issuer with any provision of this Indenture or the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided herein with respect to Section 4.14 hereof);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, or premium, if any, or interest on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);
- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders to receive payments of principal of, or interest or premium, if any, on, the Notes;
- (7) waive a redemption payment with respect to any Note (other than a payment required by Section 4.14 hereof);
- (8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Reserved.*

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Issuer may, but shall not be obligated to, fix a record date for determining which Holders consent to such amendment, supplement or waiver. If Issuer fixes a record date, the record date shall be fixed at (i) the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation pursuant to Section 2.05 or (ii) such other date as Issuer shall designate.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. Issuer may not sign an amended or supplemental indenture until the Board of Directors of Issuer approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10  
NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, irrevocably, fully and unconditionally guarantees, as primary obligor and not merely as surety, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of Issuer hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of Issuer to the Holders or the Trustee hereunder or thereunder (including interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to Issuer or a Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding) will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of Issuer, any right to require a proceeding first against Issuer, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either Issuer or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(e) Each Guarantor hereby agrees that any Guarantor that makes a payment on the obligations under the Guarantees shall be entitled, upon payment in full of all obligations under the Guarantees, to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP. The provisions of this Section 10.01(e) shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders, and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 10.02 *Limitation on Guarantor Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws (including, without limitation, any guarantees under the Credit Agreement and the indentures governing the Existing Notes), and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Indenture, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 *Guarantors to Sign Indenture.*

To evidence its Note Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that this Indenture (or a supplemental indenture to this Indenture) shall be executed on behalf of such Guarantor by an Officer of such Guarantor.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

Upon execution of a supplemental indenture to this Indenture by the Subsidiary Guarantors, the Guarantees set forth in this Indenture shall be deemed duly delivered, without any further action by any Person, on behalf of the Subsidiary Guarantors. Following the Issue Date, the delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that Superior Energy, Issuer or any of their Restricted Subsidiaries creates or acquires any Subsidiary after the date of this Indenture, Issuer will cause such Subsidiary to comply with the provisions of this Article 10, to the extent applicable.

Section 10.04 *Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 10.05 hereof, no Subsidiary Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than Issuer or another Guarantor, unless:

- (1) immediately after giving effect to that transaction, no Default or Event of Default exists;

(2) if such entity remains a Subsidiary Guarantor, the resulting, surviving or transferee Person (the “*Successor Guarantor*”) is a Person (other than an individual) organized and existing under the laws of the United States of America, any state or territory thereof or the District of Columbia;

(3) the Successor Guarantor, if not already a Subsidiary Guarantor, expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture, the Notes and its Note Guarantee pursuant to a supplemental indenture or other documents or instruments in form reasonably satisfactory to the Trustee; and

(4) if such Subsidiary Guarantor does not continue as a Subsidiary of Issuer or Superior Energy, the net proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the Successor Guarantor, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such Successor Guarantor will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such Successor Guarantor thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by Issuer and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses (1) through (4) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into Issuer or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to Issuer or another Guarantor.

#### Section 10.05 *Releases.*

(a) In the event of any sale or other disposition of all of the Capital Stock of a Subsidiary Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) Superior Energy, Issuer or a Restricted Subsidiary of Issuer or Superior Energy, then such Subsidiary Guarantor will be released and relieved of any obligations under its Note Guarantee; *provided* that the sale or other disposition, and the application of the net proceeds of such sale or other disposition, comply with the applicable provisions of this Indenture.

(b) In the event of any sale or other disposition of all or substantially all of the assets of a Subsidiary Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) Superior Energy, Issuer or a Restricted Subsidiary of Issuer or Superior Energy, then the corporation acquiring the property will be

released and relieved of any obligations under the applicable Note Guarantee; *provided* that the sale or other disposition, and the application of the net proceeds of such sale or other disposition, comply with the applicable provisions of this Indenture.

Upon delivery by Issuer to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made in accordance with the provisions of this Indenture, the Trustee will execute any documents reasonably requested by the Issuer that are required in order to evidence the release of any Subsidiary Guarantor from its obligations under its Note Guarantee in accordance with the foregoing Sections 10.05(a) and (b).

(c) Upon designation by Issuer of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture, such Guarantor will be released and relieved of any obligations under its Note Guarantee.

(d) Upon Legal Defeasance in accordance with Article 8 hereof or satisfaction and discharge of this Indenture in accordance with Article 11 hereof, each Guarantor will be released and relieved of any obligations under its Note Guarantee.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 10.05 will remain liable for the full amount of principal of and interest and premium on the Notes and for the other obligations of any Guarantor under this Indenture as provided in this Article 10.

## ARTICLE 11 SATISFACTION AND DISCHARGE

### Section 11.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to Issuer, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption;

(2) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which Issuer or any Guarantor is a party or by which Issuer or any Guarantor is bound;

(3) Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, Issuer must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

#### Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; provided that if Issuer has made any payment of principal of, premium, if any, or interest on, any Notes because of the reinstatement of its obligations, Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

## ARTICLE 12 MISCELLANEOUS

The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No past, present or future director, officer, organizer, manager, employee, incorporator, stockholder or member of Issuer or any Guarantor, as such, will have any liability for any obligations of Issuer or the Guarantors under the Notes, this Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 12.08 *Governing Law.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Section 12.09 *No Adverse Interpretation of Other Agreements.*

Section 12.14 *Waiver of Jury Trial.*

EACH OF THE ISSUER, THE GUARANTORS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture.

1. Interest

SESI, L.L.C., a Delaware limited liability company (such limited liability company, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Issuer”), promises to pay interest on the principal amount of this Note at the rate of 7.125% per annum, which shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from February 24, 2020. The Issuer shall pay interest on overdue principal at the rate specified herein, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful. Interest on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

The Issuer shall make each interest payment in cash semi-annually in arrears on June 15 and December 15 of each year, commencing on June 15, 2020, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”) to Holders of record of Notes on the immediately preceding June 1 and December 1. In addition, the Issuer shall pay accrued interest to, but excluding, the Combination Exchange Date or the Termination Exchange Date, as applicable.

2. Method of Payment

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium, if any, or interest when due. Interest on any Note which is payable, and is timely paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding June 1 and December 1 at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.03 of the Indenture. The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by the Issuer maintained for such purpose in the United States or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.03 of the Indenture; *provided, however*, that, at the option of the Issuer, the principal of (and premium, if any) and interest on the Notes may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) shall be made by wire transfer of immediately available funds to the accounts specified by the Holder or Holders thereof.

### 3. Paying Agent and Registrar

The Issuer initially appoints UMB Bank, N.A. as Registrar and Paying Agent for the Notes. The Issuer may change any Registrar or Paying Agent without prior notice to the Holders. The Issuer or any Restricted Subsidiary may act as Paying Agent, Registrar or transfer agent.

### 4. Indenture

The Issuer issued the Notes under an Indenture, dated as of February 24, 2020 (as it may be amended or supplemented from time to time in accordance with the terms thereof, the “Indenture”), among the Issuer, the Guarantors and UMB Bank, N.A. (the “Trustee”). The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

The Notes are senior unsecured obligations of the Issuer. The aggregate principal amount of Notes that may be authenticated and delivered under the Indenture is unlimited. This Note is one of the 7.125% Senior Notes, Series C, due 2021 referred to in the Indenture. The Notes include (i) \$[617,888,000] principal amount of the Issuer’s 7.125% Senior Notes, Series C, due 2021 issued under the Indenture on February 24, 2020 (the “Initial Notes”), and (ii) if and when issued, additional 7.125% Senior Notes, Series C, due 2021 of the Issuer that may be issued from time to time under the Indenture subsequent to February 24, 2020 (the “Additional Notes”) as provided in Section 2.1(a) of the Indenture. The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of the Indenture. The Indenture imposes certain limitations on the incurrence of secured indebtedness and the consummation of mergers and consolidations. The Indenture also imposes requirements with respect to the provision of financial information and the provision of guarantees of the Notes by certain subsidiaries.

### 5. Guarantees

To guarantee the due and punctual payment of the principal, premium, if any, and interest (including post-filing or post-petition interest) on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, the Guarantors have unconditionally guaranteed (and future guarantors, together with the Guarantors, shall unconditionally Guarantee), jointly and severally, such obligations on a senior unsecured basis pursuant to the terms of the Indenture.

### 6. Redemption

The Issuer may redeem the Notes, in whole or in part, upon notice as described under Section 3.03 of the Indenture, at 100% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, on the Notes redeemed to, but excluding the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date. Any redemption pursuant to this paragraph 6 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

Except as set forth in paragraph 7 below, the Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. Repurchase Provisions

If a Change of Control occurs, unless the Issuer has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes as described in Section 3.07 of the Indenture, each Holder shall have the right to require the Issuer to repurchase from each Holder all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of purchase, plus accrued and unpaid interest, if any, to but excluding the date of purchase, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date as provided in, and subject to the terms of, the Indenture.

8. Denominations; Transfer; Exchange

(a) The Notes shall be issuable only in fully registered form, without coupons, and only in denominations of principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay a sum sufficient to cover any tax and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note (A) for a period beginning (1) 15 days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) 15 days before an interest payment date and ending on such interest payment date or (B) called for redemption or tendered (and not withdrawn) for repurchases in connection with a Change of Control Offer or other tender offer, except the unredeemed or untendered portion of any Note being redeemed or tendered in part.

(b) If the Combination is expected to be consummated on or prior to the Outside Date, then upon no less than two Business Days' notice by the Issuer to the Trustee, on the Combination Exchange Date, the Notes shall be automatically exchanged and Holders shall receive in exchange for their Notes their pro rata share of: (i) \$243.283 million aggregate principal amount of Newco Secured Notes issued under the Newco Secured Notes Indenture; (ii) \$243.283 million aggregate principal amount of Superior Secured Notes issued under the Superior Secured Notes Indenture and (iii) \$131.374 million Cash Component, subject to adjustment and rounding. On the Combination Exchange Date, accrued interest in respect of the Notes to, but excluding, the Combination Exchange Date shall be paid in cash.

(c) If the Combination does not occur on or prior to the Termination Date, then upon no less than two Business Days' notice by the Issuer to the Trustee and the Original Notes Trustee, on the Termination Exchange Date, the Notes shall be automatically exchanged for an equal principal amount of Original Notes issued as "Additional Notes" pursuant to Section 2.06 of the Indenture, which notes shall accrue interest from the

Termination Exchange Date at a rate of 7.125% per year. On the Termination Exchange Date, accrued interest to, but excluding, the Termination Exchange Date shall be paid in cash in respect of the Notes.

(d) No consent or any other action shall be required by or on behalf of the Holders of the Notes in respect of the completion of the Combination Exchange or the Termination Exchange, as applicable. On the Combination Exchange Date or the Termination Exchange Date, as applicable, upon acceptance of the Notes in the Combination Exchange or the Termination Exchange, as applicable, the Notes shall be automatically cancelled and the Note Guarantees shall be automatically released and terminated, and the Indenture shall be deemed satisfied and discharged and shall cease to be of further effect as to all Notes issued thereunder.

(e) Each Holder is deemed to have (i) agreed to be bound by, or agreed that the Trustee shall be bound by, as applicable, (x) the Combination Exchange, the Newco Secured Notes Indenture and the Superior Secured Notes Indenture or (y) the Termination Exchange and the Original Notes Indenture, as applicable, and (ii) irrevocably authorized and directed the Trustee, or any other person required to complete the Combination Exchange and the Termination Exchange, as applicable, to take all actions required to consummate the Combination Exchange and the Termination Exchange, as applicable, without the need for further direction by, or on behalf of, such Holder under the Indenture.

(f) The Issuer shall make such arrangements with DTC as are necessary or advisable to effect the Combination Exchange or the Termination Exchange, as applicable, including, but not limited to, providing for the exchange of beneficial interests in the Global Notes for beneficial interests in (i) the Newco Secured Notes and Superior Secured Notes, in the case of the Combination Exchange, and (ii) Original Notes issued as "Additional Notes" under the Original Notes Indenture in the case of the Termination Exchange, as applicable.

9. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

10. Unclaimed Money

If money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Issuer for payment as general creditors unless an abandoned property law designates another person and not to the Trustee for payment.

11. Defeasance

Subject to certain exceptions and conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the

Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be.

12. Amendment, Supplement, Waiver

Subject to certain exceptions contained in the Indenture, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture, any Note Guarantee and the Notes as provided in the Indenture.

13. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to certain events of bankruptcy, insolvency or reorganization of the Issuer or certain Restricted Subsidiaries) occurs and is continuing, the Trustee by notice to the Issuer, or the Holders of at least 25% in principal amount of the total outstanding Notes by notice to the Issuer and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, if any, and any other monetary obligations on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, if any, and any other monetary obligations shall be due and payable immediately. If a bankruptcy, insolvency or reorganization of Superior Energy, the Issuer or certain Restricted Subsidiaries occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest and any other monetary obligations on all the Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. Under certain circumstances, the Holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

14. Trustee Dealings with the Issuer

Subject to certain limitations set forth in the Indenture, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Subsidiary Guarantors or their Affiliates with the same rights it would have if it were not Trustee.

15. No Recourse Against Others

An incorporator, director, officer, employee or stockholder of the Issuer or any Subsidiary Guarantor or any of their parent companies, solely by reason of this status, shall not have any liability for any obligations of the Issuer or any Subsidiary Guarantor under the Notes, the Guarantees or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are a part of the consideration for the issuance of the Notes.

16. Authentication

This Note shall not be valid until the Trustee authenticates the Note.

17. Abbreviations

Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= custodian) and U/G/M/A (= Uniform Gift to Minors Act).

18. CUSIP, Common Code and ISIN Numbers

The Issuer has caused CUSIP, Common Code and ISIN numbers, if applicable, to be printed on the Notes and has directed the Trustee to use CUSIP, Common Code and ISIN numbers, if applicable, in notices of redemption or purchase as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or purchase and reliance may be placed only on the other identification numbers placed thereon.
